Baton Rouge, LA 70804-4275

Re: Marg Tex Zone, Reservoir B
MORSE FIELD
Acadia Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **EOG RESOURCES, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Marg Tex Zone, Reservoir B, in the Morse Field, Acadia Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Marg Tex Zone, Reservoir B, in the Morse Field, Acadia Parish, Louisiana, said proposed unit designated MT RB SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any wells drilled to the Marg Tex Zone, Reservoir B, within or outside of the unit created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

August 7, 2006

5. To consider such others matters as may be pertinent.

The Marg Tex Zone, Reservoir B, in the Morse Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 15,120 feet and 15,640 feet (electrical log measurements) in the General American Oil - Cormier No. 1 Well, located in Section 9, Township 11 South, Range 1 West, Acadia Parish, Louisiana.

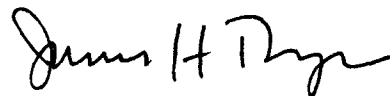

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux of Leon Comeaux & Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

Pursuant to the Rules of Procedure, a pre-application conference was held on August 3, 2006, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the basis for the unit being requested. Numerous questions were asked and answered. Some opposition was expressed; however, no counterplans were presented. The conference was then adjourned. It is uncertain whether any opposition will be presented at the hearing.

Attached hereto and made a part hereof are the following: a plat outlining the applicant's proposal, the conference attendance list and the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the plat (being the same plat attached to the pre-application notice dated July 12, 2006) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant, EOG Resources, Inc., representing the hearing application fee.

Very truly yours,

James H. Dupuis, Jr.
